**Millionaire
Wellness Entrepreneur**

Business For Whom

WHO CAN JOIN

This is about spreading wellness and earning big. Professionals with few hours a day, wellness professionals, working professionals, network marketing professionals, home makers, retired people with an urge to join no gimmick business can join

Eligibility Criteria

You don't need any specific qualification or experience to be a WellthyLife Franchisee. All you need is willingness to make others healthy and a hunger for 'health bhi, wealth bhi. You will get all trainings and incubation here.

WHY JOIN NOW

In this competitive scenario every day is important. Get your foothold in fast growing wellness industry before competition intensifies. This is one time opportunity for select few who will be chosen by WellthyLife. Act now and be one of them.

By When Can You Start Earning?

You can start earning from Day-1. And you can easily start earning more than ₹1,00,000 per month from the 6th month onward. By the end of 3rd year you can expect earning one million rupees per month provided you complete the MePreneur incubation successfully.

How Does WellthyLife Franchise Business Work?

As an official franchisee of GoYNG, you distribute or resale the entire range of GoYNG supplements and therapies and you get a handsome margin up to 38% on it.

As a certified wellness professional, you can consult people and give therapy. For a gynec, health blueprint or PLR therapy you can charge anywhere between Rs 3000 to 5000 per therapy and you can do 15-20 therapies in a month, even if you give therapies just on weekends.

As an Affiliate Partner, you spread wellness and make others healthy. You earn reward points on every stage – when anyone signs up with your invite code, when a purchase made, when a therapy taken etc. This reward income keeps increasing for you.

3 Yrs FREE Incubation and Handholding for Franchise

As WellthyLife Franchisee, you actually become a **wellness entrepreneur** who has tremendous opportunity in the fast growing wellness industry. While earning you keep learning new ways to earn more.

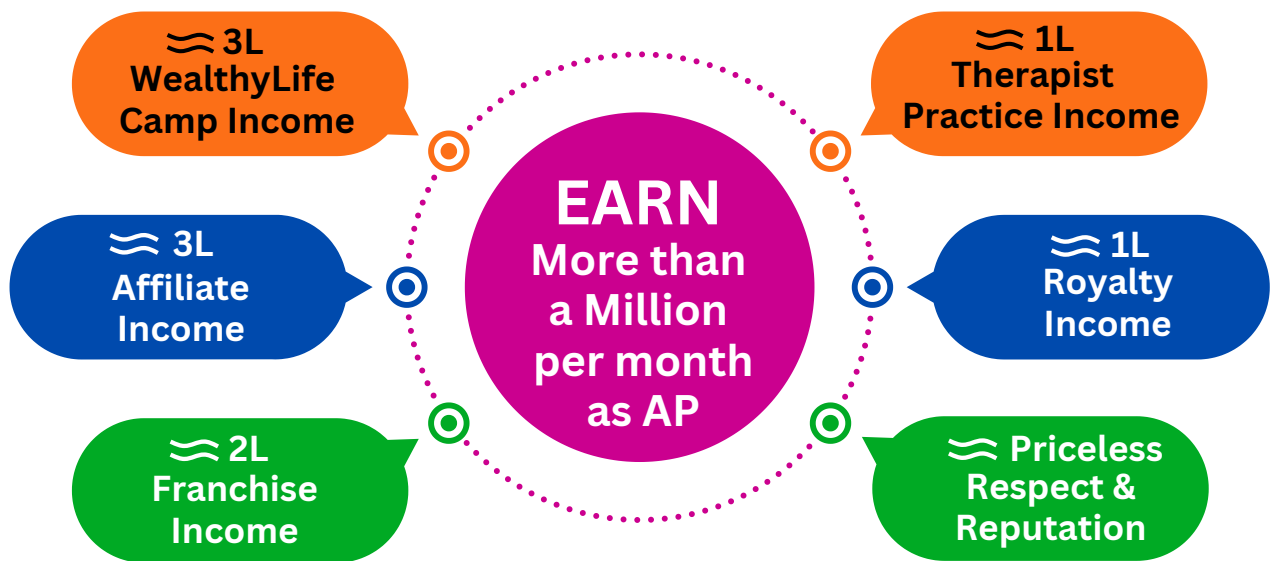

To get a strong foothold in this industry, you need a comprehensive training to nurture your entrepreneurial skills. It gives you background, understanding, strategies, step by step action plan and attitude to achieve your entrepreneurial goals and thrive in competitive market.

To provide you these trainings, incubation and hand-holding, company has a dedicated academy with experts, mentors and online learning portal. You get lessons, study materials, live session, accountability groups and special mastermind sessions to address your questions.

In second and third year you also get specialised trainings through Management Development Program (MDP), Entrepreneurial Development Program (EDP) etc so that you can establish yourself as a millionaire wellness entrepreneur (we call it MePreneur).
